FEU MT Class of '69

Dear Batchmates,

Greetings from Sunny Florida!!! First of all, I hope all of our classmates that spent their vacation in Orlando for a week long mini-reunion got back to their respective States and Canada safely and well. Secondly, a big hello to everyone in the Philippines and to those that are living abroad now. I hope you are all doing good as well.

Beth and I, met the group for two days of fun and bonding, and we all spent a great time reminiscing the good old college days. We had talked a lot of our past reunions, here and over there in the Philippines. Since, majority of us are already retired, the main topic that came up is how to go about in celebrating the big one, the "Grand Reunion," that is, the 50th anniversary of our Class of '69. This celebration won't be till the year 2019, 4 years from now, but we are now addressing it.

To get some continuity in this big event, we are keeping our current officers and coordinators, both here and in the Philippines. However, to make it successful and memorable, we need everybody to participate and give their input and suggestions. The more ideas and suggestions made, the better the planning is going to be. So, lets keep the ball rolling by communication through e-mail or other forms of social media.

We've already started and collected some money from the group in Orlando for this reunion. We will provide you with all the details in my next e-mail on how to go about this. By the way, Norma Roxas will be our new treasurer and will be coordinating this task.

We will also communicate with our coordinators back home, to check on the dates at the University when they are having this celebration for us. Again, we will post all these informations in our web-site for everyone to see.

Once again, as we had done in previous reunions, feel free to send us all your ideas and comments. Again, please encourage our classmates to attend this once in a lifetime reunion.

God bless and warm regards to you all,

Rolly
